

1.

ASSEMBLY INSTRUCTIONS RING CARRIER COLLECTION TREE

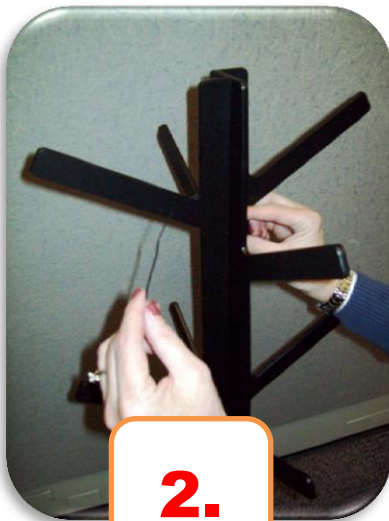

1. Take the two pieces of the tree and slide the top into the bottom piece as shown in the picture.

2. Insert the ties provided through the holes on the top and bottom

of the tree pieces to help make the tree more stable. (Two black, plastic cable ties enclosed.) See picture for an example.

3. Place the sign holder on the top of the tree and insert the postcard sized sign proved into the sign holder. See picture (3).
